### Academic Qualifications

- 1997-2001** **PhD**, Landscape Architecture, School of Architectural studies, The University of Sheffield, England. UK
- 1987-1989** **MA**, School of Architecture and Environmental Design, Iran University of Science and Technology, Tehran, Iran
- 1979-1986** **BA**, School of Architecture and Environmental Design, Iran University of Science and Technology, Tehran, Iran

### Academic Position

- 2012-now** **Professor**, School of Architecture and Environmental Design, Iran University of Science and Technology (IUST)
- 2008–2011** **Associate professor**, School of Architecture and Environmental Design, Iran University of Science and Technology, Iran
- 2003–2008** **Assistant professor**, School of Architecture and Environmental Design, Iran University of Science and Technology, Iran
- 2018-2019** **Visiting Scholar** at Landscape Department, Sheffield University, UK
- 2014-2015** **Visiting Scholar** at Landscape Department, Sheffield University, UK
- 2014-now** **External Examiner** for PhD students, Faculty of architecture and Environmental Design, Malaya University, Malaysia
- 2013-now** **External Examiner** for PhD students, Faculty of Architecture, Sheffield University, UK
- 2012-now** **External Examiner** for PhD students, Landscape Department, Sheffield University, UK
- 2010-2011** **Visiting Scholar** at Landscape Department, Sheffield University, UK

## **Membership of Editorial Boards and Scientific Committees**

- 2020-now Member of Editorial Board of Journal of “Soffeh” (In Persian)
- 2009-now Editor-in-Chief of “International Journal of Architectural Engineering and urban planning”
- 2017-2021 Editor-in-Chief of “Journal of Researches in Islamic Architecture” (In Persian)
- 2015-now Member of Editorial Board of Journal of “International journal of Environmental Sciences & Sustainable Development (ESSD)”
- 2015 Reviewer of “International Journal of Planning Perspectives (Taylor & Francis (ISI))”
- 2014-now Member of Editorial Board of Journal of “Boom (Ecology)” (In Persian)
- 2014-now Member of Editorial Board of “Journal of Urban Landscape Research” (In Persian)
- 2010-now Member of Editorial Board of Journal of “Miras-e-Melli” (In Persian)
- 2010-now Member of Editorial Board of “Journal of Researches in Islamic Architecture”
- 2009-now Member of Editorial Board of Journal of “Iranian Architecture and Urbanism” (In Persian)
- 2009-now Member of Editorial Board of Journal of “Armanshahr” (In Persian)
- 2009-2010 Associate Editors; The International Journal of Design Principles and Practice, Volume 2 & Volume 3
- 2008-now Member of Editorial Board of Journal of “Tarh Va Namad” (In Persian)
- 2008-2009 Associate Editors; The International Journal of Environmental, Cultural, Economic and Social Sustainability, Volume 4
- 2005-2011 Member of Editorial Board of Journal of faculty of Architecture and urbanism, Ghazvin International University (In Persian)
- 2007-2009 Member of Advisory Committee of Journal of “Sharestan” (In Persian)
- 2002-2003 Member of Editorial Board of Journal of “Iranian Architecture (MA)” (In Persian)

## **Academic Partnership and professional association members**

- 2020-now Head of Department of Landscape Architecture, Iran University of Science and Technology
- 2020-now Member of Scientific committee in the compilation of architecture field, the supreme council of the cultural revolution
- 2020 Head of Committee for Curriculum revision for the MS Programm in Landscape Architecture
- 2017 Member of Scientific committee of the 6th national conference of architecture education, university of Tehran, Iran
- 2016-now Jury member of the Iranian school, Iranian architecture design competition
- 2015 Member of Scientific committee of the national conference of landscape architecture, Shahid Beheshti University, Iran
- 2015 Member of Scientific committee of the national conference of Islamic Iranian architecture and urban design
- 2014-now Member of the art gallery of Hallam Art Group, Sheffield, UK
- 2013-2014 Member of Scientific committee of the 2nd International Conference on Adaptation and Movement in architecture & International Conference on Innovation in Design and Fabrication, 25 to 26 July, 2014, in Toronto, Canada
- 2013-now Member of board of directors and founders the Iranian scientific association of landscape architecture, ministry of science research and technology, Iran
- 2013-2014 Member of Scientific committee of the 5th national conference of architecture education, University of Tehran, Iran
- 2013 Member of technical commission of water edge zones projects of Kish Island
- 2012-now Member of Board of directors of the center of excellence in Islamic architecture

- 2012-now Member of architecture and urban planning unit of specialized council for human sciences development and promotion
- 2012-now Member of specialized committee of codification of Islamic Iranian architecture, national building code of Iran, Iran ministry of roads and urban development
- 2012-now Member of technical commission of Tehran parks and green space organization, municipality of Tehran
- 2012-now Member of strategic committee and jury of Setareh Atlas Pars design project, Tehran Haghani highway and residential towers in Namak Abrud
- 2012 Jury member of the 30th annual book of the year award, Iran
- 2012 Member of committee of art and architecture of 14th khwarazmi youth award
- 2012 Member of scientific committee and Jury member of design competition of martyrs memorial Monument of Iran University of science and technology
- 2012 Member of scientific committee of the first national conference of architecture and sustainable city, Shahid Rajae Teacher Training University
- 2012 Member of strategic council of education programming of art and architecture, Shahid Rajae Teacher Training University
- 2011-now University representative in Memorandum of Cooperation with Tehran Urban research and planning center
- 2011 Member of scientific committee of the international conference of the city, pedestrian life
- 2010-now Member of Royal Academy of Arts, London, UK
- 2010-2011 Member of scientific committee of the 4th national conference of architecture education, University of Tehran, Iran
- 2009-now Member of founding board of Iranian society of green architecture
- 2009-now Member of architecture scientific committee of national building code of Iran, Iran ministry of roads and urban development
- 2009-now Member of specialized committee of Occupational Entrance Exam of architecture engineering, Iran ministry of roads and urban development
- 2009-now Member of committee of qualification determination of pioneer architecture engineers, Iran ministry of roads and urban development
- 2009-now Member of jury of the 4th national festival of applied science and technology
- 2009 Member of scientific committee of sustainable architecture with the approach of modifying model of consumption in the building industry
- 2009 Jury Member of the 12th annual book of the season award, Iran
- 2009 Member of scientific committee of selecting the distinguished teacher, university of applied science and technology
- 2009 Head and member of scientific committee of the national conference of vernacular technologies, Iran University of Science and Technology
- 2008 -now Head of the Board of directors and funding member of Iranian Scientific Association of Architecture and Urbanism
- 2008-2014 Head of board of directors of The Scientific Society of Architecture & Urbanism (SAU), Ministry of Science Research and Technology
- 2008-now Jury member of school of architecture Ghazvin International University Competition
- 2008-2010 Member of strategic council of Mirmiran award
- 2008 Member of scientific committee of national conference of Improvement and Renovation of Old Textures of Shiraz city
- 2008 Jury member of first National Architectural Student Congress, Kashan, Iran
- 2007-now Member of Iranian Society of Environmentalists
- 2007 Member of scientific committee of the 2nd national conference of green space

- 2007-2008 Jury member of Mirmiran Foundation Architectural price
- 2006 Member of committee of art and architecture of 8th khwarazmi youth award
- 2006 Member of committee of art and architecture of 8th khwarazmi award
- 2005-now Member of committee of architecture and urban planning, University of applied science and technology
- 2003-now Member of International Federation of Landscape Architects (IFLA)
- 1999-2001 Organiser of Art & Built Environment Group, 7th, 8th and 9th Annual Iranian Students Seminar in Europe, England, UK
- 1987-now Member of Iranian Construction Engineers Organization

### Academic Award & Honours

- 2021** Distinguished Academic staff, School of Architecture & Environmental Design, Iran University of Science and Technology
- 2015** **Distinguished professor of the country, Ministry of Science, Research and Technology, Iran**
- 2014** Distinguished Researcher, School of Architecture & Environmental Design, Iran University of Science and Technology
- 2013** Distinguished Researcher, School of Architecture & Environmental Design, Iran University of Science and Technology
- 2012** Distinguished Academic staff, School of Architecture & Environmental Design, Iran University of Science and Technology
- 2011** Distinguished book award for “Analysis of 10 buildings form 50 years of Iranian Contemporary Architecture”
- 2011** **Distinguished Researcher of the Country, Art & Architecture Group, Iran Ministry of Science, Research and Technology**
- 2010** Distinguished Researcher, School of Architecture & Environmental Design, Iran University of Science and Technology
- 1989** First honoured award for academic achievement at school of architecture, (Master Degree), Iran University of Science and Technology

- 1999**    **UK**    **Faizi, M.** “The tradition of landscape architecture according to Persian painting (miniature)” 7<sup>th</sup> Annual Iranian 11students’ seminar (Art and Built Environment) in Europe ISS-1999-21 May Manchester.
- 1998**    **Indonesia**    Woolley, H., **Faizi, M.** “The Role of Urban Parks Towards a Sustainable City”, Landscape Architecture Quest to the 21st century 35<sup>th</sup> IFLA (International Federation of Landscape Architects) World Congress, 8-15, Bali.

## 7. Invited Academic Lecture

- 2002**    Conservation (Landscape and Gardens), Architectural Association (AA), School of Architecture, London, England

## Publications – Books author

- 2016**    Analysis of 20 buildings form 100 years of contemporary world architecture. 2010. Iran University of science and technology Publication (in Persian)
- 2016**    Analysis of 15 buildings form 50 years of Iranian contemporary architecture. 2010. Ivan Publication (in Persian)
- 2015**    Form, Space and Order in Iranian Architecture, Iran University of science and technology Publication (in Persian)
- 2010**    Analysis of 10 buildings form 50 years of Iranian contemporary architecture. 2010. Farhang-e Matin Publication (in Persian)

## Publications – Books translation

- 2016**    From concept to form in landscape design, Reid, G.W. 1993.
- 2016**    Garden History: Philosophy and Design 2000 BC – 2000 AD, Tom Turner, Spon Press, 2005
- 2010**    Theory in landscape architecture: A reader, Swaffield, S., 2002.
- 2009**    Form and Fabric in Landscape Architecture, Catherin Dee, 2001.

## Professional Experiences

Study, review and compilation of criteria and Standards of the layout and design of student camps, Organization for Renovating, Developing and Equipping Schools

Conceptual studies and design and supervising construction of Malek garden, Tehran parks and green space organization

Review, Design and supervising construction of woman park, Tehran parks and green space organization

Consulting conceptual studies of space city of Iran and planning its architectural standard

Design of cultural recreational complex camp of Sama, Islamic Azad University

Planning standards of primary school's open space, Organization for Renovating, Developing and Equipping Schools

Studying, organizing and restoration of Saadossaltaneh historical complex, renovation and reformer organization of Qazvin

Design of commercial residential complex of Aghigh, Mashahd city

Studying Strategic plan of the Tehran Bazaar to improve its security, Cultural Heritage, Handicrafts and Tourism Organization of Iran

Studying immunization and social empowerment of historical textures (development of historical centers by protection of main characteristics and contemporary needs)

Studying restoration, preservation of cultural historical centers (mapping, documenting, analyzing, and providing guidelines)

Cooperation in organizing cultural axis of Kerman city

Cooperation in review of restoration plan of historical texture of Yazd city

Pedestrian design of Kargar Avenue from Enghelab sq to Rahahan sq, Tehran

Landscape architecture comprehensive plan for Bistoon International Historic Site

Landscape architecture comprehensive plan for Jihad complex

Designer, Technical deputy and Member of the Board of Directors of Company of Andisheh New Town, Housing and Urbanism Ministry

Revitalisation of historic garden of Shazdeh/ Kerman /Iran

Design of recreational park in Andisheh New Town /Tehran

Design of cultural complex in Andisheh New Town /Tehran

Design of residential landscape in Andisheh New Town /Tehran

Design of 120 housings in Pardis New Town /Tehran

Design of three industrial estates, Ghom, Bijar, Ghorveh /Iran

Design of residential landscape in city of Tehran

Supervising construction of housing unit in Andisheh New Town /Tehran

Supervising construction of housing unit in city of Tehran

## Exhibition

**2014** 27<sup>th</sup> Great Art Show, Sheffield, England, UK

**2012** 25<sup>th</sup> Great Art Show, Sheffield, England, UK

**2011** 24<sup>th</sup> Great Art Show, Sheffield, England, UK

**2003** Wild about Art, England, UK

**2002** 15<sup>th</sup> Great Art Show, Sheffield, England, UK

**2001** 14<sup>th</sup> Great Art Show, Sheffield, England, UK

## PhD Student

### Graduated:

**2008** Azemati, Hamidreza; (Graduated)

**2009** Khakzand, Mehdi; (Graduated) *A Pattern Language for Landscape Design (Exploration of Socio - Cultural, Ecological and Aesthetical Dimensions from physical and human base significant valuables of pattern language in Landscape Design)*

**2010** Seddigh, Morteza; (Graduated)

**2011** Monaam, Alireza; (Graduated) (Graduated) *Comfort ability in Urban Open Spaces, Evaluation of Outdoor Thermal Comfort in Tehran Urban Parks.*

**2011** Razaghi Asl, Sina; (Graduated) *Landscape Architects & Urban Designers Approaches to the Common Boundary Themes in Places Making*

**2013** Norouzian Maleki, Saeid; (Graduated) *Liveable Neighborhood: Architectural Criteria and Guidelines for Improving Liveability and Exhilaration in Residential Areas*

**2014** Shahbazi, Mahtiam; (Graduated)

- 2014** Karimi Azari, Amir Reza; (Graduated) *Design principles of residential space to enhance children's creativity*
- 2014** Asadpour, Ali; (Graduated) *The Model of River Representation as an Imageable Urban landscape (Study of Shiraz Khoshk River)*
- 2016** Abbaszadeh, Mozaffar; (Graduated) *The role of architecture heritage values in conservation and restoration*
- 2016** Rayati damavandi, Mehraneh; (Graduated) *Defining design criteria of children's playgrounds in urban parks for promoting sense of vitality*
- 2017** Alipour, Leyla; (Graduated) *The True Adaptation from Architecture Precedents (Training novice architecture students to improve their ability in adaptation from examples)*
- 2017** Sazandeh, Masoumeh; (Graduated) *Urban landscape connectivity (ULC) and tendency to walk in urban parks (Case study: Shiraz urban parks)*
- 2017** Mostafa Gholipour (Graduated) *Evaluating the adaptability of innovative day lighting systems with buildings (conventional light wells in Mid-Rise Buildings of Tehran)*
- 2018** Elaheh Najafi (Graduated)
- 2018** Mostafa Arghiani (Graduated) *A Study on the effect of quality of closed educational space on the amount of sense of community*
- 2018** Sima Mansouri (Graduated) *Modelling Physical perception of the environment in people with dementia of the Alzheimer type approach neuro-psychology in architecture*
- 2020** Elnaz Abbasian (Graduated) *The short-term effectiveness of landscape architecture components on depressive symptoms in women (18 to 45) using cognitive science tools*
- 2020** Ehsan Masoud (Graduated) *Developing theoretical framework of interior architecture within adaptive reuse process*

**PhD Candidate:**

- Samaneh Khan Ahmadlou (2015)
- Mohsen Ghandi (2015)
- Soad Sarihi (2015)
- Mahboubeh Mortazavi (2015)
- Mayam Naghibi (2017)
- Elham Shafiei (2017)
- Solmaz Hasanzadeh (2017)
- Shiva Soltani Azar (2018)
- Zahra Safaie (2018)
- Amir Kalantari Fard (2019)
- Maryam Mesgarian (2019)
- Amirali Alaei (2020)
- Saeed Hashemi (2020)
- Neda Amini (2020)
- Naghme Motevalian (2020)
- Hanieh Jafari (2020)
